Mikatakobushi no Sato

Our basic philosophy is that
you are yourself and that
you have more freedom.

We provide various services such
as special elderly nursing home,
day service, and group home,
in 3 areas in Kami-cho.

Kami-cho, Mikata-gun, Hyogo Prefecture

Kami Cho is located in the north area of Hyogo Prefecture. It is an area surrounded by Mother Nature embracing the ocean, mountains, and rivers.

The town is a part of the San'in Kaigan UNESCO Global Geopark.

The area has many valuable geological heritages. Besides, the area produces Tajima Cattle: breeding cattle for Kobe beef. In winter, you can enjoy snow crab dishes here.
